PATRON MESSAGE

PATRON MESSAGE

HUG Community Services Limited (HCSL) has remained steadfast in its mission to journey with at-risk youths, incarcerated youths and young desistors.

HCSL's work is meaningful and important. It helps to steer youths away from crimes and gives them a focus and purpose through service to the community. HCSL also provides their family members with the needed emotional support, which enables the families, in turn, to support and guide the youths back to the right path.

I share HCSL's belief that every young individual deserves an opportunity for growth, healing, and a brighter future, regardless of their circumstances.

On behalf of all HCSL beneficiaries, I wish to convey my heartfelt appreciation to all donors, partners, friends, volunteers and staff for their sustained involvement and unwavering support for this very worthy cause. The generosity of our sponsors and partners has enabled HCSL to have adequate resources to deliver transformative programmes and services to these youths and their families, thereby making a positive difference in their lives.

As we continue our journey, we invite you to join us in renewing our commitment to the youth. With more caring hearts and helping hands, we will be able to do more, touch more lives and build a better future for the youths and their families.

CHAIRMAN'S MESSAGE

MESSAGE FROM NEWLY APPOINTED CHAIRMAN

It is with gratitude, humility, and a deep sense of responsibility that I reflect on another meaningful year as Chairman of HUG Community Services Limited (HCSL). Over the past year, I have witnessed firsthand the unwavering dedication of our founders, leadership team, staff, volunteers, partners, and supporters who continue to make a profound difference in the lives of vulnerable youths, families, seniors, and individuals seeking a second chance.

2025 has been a year of growth, resilience, and renewed purpose. Together, we have strengthened our commitment to supporting youths-at-risk, empowering former offenders in their reintegration journey, fostering intergenerational bonds, and building stronger communities through compassion and service. Through our various programmes and outreach initiatives, we have continued to bring hope where there is uncertainty, encouragement where there is struggle, and opportunities where there are barriers.

As a father, I remain deeply convinced that early intervention, positive mentorship, and strong family support are essential in shaping the future of our young people. Prevention remains better than intervention, and it is through collective community effort that we can nurture values, resilience, and a sense of purpose in the next generation. Every youth reached, every family supported, and every life transformed reminds us why our mission is so important.

This year, I am especially encouraged by the growing partnerships and collaborations that have enabled HUG to extend our reach and deepen our impact. From schools and community organisations to government agencies, corporate sponsors, and dedicated volunteers, your support has demonstrated the power of collective action in creating meaningful and lasting change.

I would like to express my heartfelt appreciation to our founders, Rev. Jeffrey Mak and Pastor Grace Yeo, whose passion, vision, and tireless commitment continue to guide the organisation forward.

I am also grateful to my fellow Board members for their wisdom and stewardship, and to our staff and volunteers who faithfully serve on the ground every day. Your dedication embodies the heart and spirit of HUG.

Looking ahead, we remain committed to strengthening our programmes, expanding our community outreach efforts, and creating more opportunities for individuals and families to thrive. As we journey forward together, let us continue to uphold the values of empathy, integrity, inclusiveness, and service that define HUG Community Services.

Thank you for your trust, partnership, and belief in our mission. Together, we will continue to inspire hope, transform lives, and build a more caring, connected, and compassionate community for generations to come.

CO-FOUNDER & CEO'S MESSAGE

2025: Strengthening Communities, Restoring Lives, Inspiring Hope

It is with immense gratitude and a renewed sense of purpose that I present the 2025 Annual Report of HUG Community Services Limited. As we continue our journey beyond our first decade, this year has been one of meaningful growth, deeper community impact, and strengthened partnerships. Through every challenge and opportunity, we have remained steadfast in our commitment to bringing hope, healing, inclusion, and second chances to those we serve.

Since our inception, HUG has been guided by a simple yet powerful belief, that every individual, regardless of their past circumstances, deserves the opportunity to rebuild, rediscover purpose, and thrive within a supportive community. In 2025, we continued to witness lives transformed through the collective efforts of our team, volunteers, donors, community partners, and beneficiaries who journey alongside us each day.

One of the highlights of the year was the continued expansion of our intergenerational initiatives. Through programmes such as Mai Gong Bo Jio (MGBJ), HUG's Healers Programme, and various community engagement activities, we brought together youths, desistors, seniors, families, and volunteers across generations. These interactions fostered understanding, reduced social isolation, and created opportunities for meaningful relationships to flourish. Our therapy dogs and rabbits continued to serve as bridges of connection, bringing comfort, joy, and emotional support to beneficiaries from all walks of life.

We were also encouraged by the growing impact of our work with youths-at-risk, desistors, and individuals seeking reintegration into society. Through mentorship, life-skills development, community service opportunities, and aftercare support, we witnessed many individuals take positive steps towards rebuilding their lives. Every story of resilience and transformation reinforces our belief that with support, guidance, and opportunity, lives can be restored and futures can be rewritten.

A significant milestone in 2025 was the successful presentation of Threads of Unity – SG60 Community Fashion Showcase, a unique celebration of Singapore's 60th birthday that brought together seniors, youths, community volunteers, and desistors through art, fashion, and storytelling. More than a showcase, it became a powerful testament to the values of unity, inclusion, resilience, and second chances. We are deeply grateful to all our partners, sponsors, volunteers, designers, schools, and community stakeholders who made this vision a reality.

Our collaborations with key partners including the Singapore Prison Service, Ministry of Social and Family Development, National Council of Social Service, Breakthrough Mission Halfway House, schools, healthcare institutions, grassroots organisations, corporate sponsors, donors and community agencies have continued to strengthen our ability to serve those in need. These partnerships remind us that meaningful social impact is never achieved alone, but through a shared commitment to building a more caring and compassionate society.

This year also saw us laying further groundwork for the future development of HUG's services and facilities. As community needs evolve, we remain committed to enhancing our programmes, strengthening volunteer development, creating more opportunities for youth leadership, and expanding our capacity to serve vulnerable individuals and families. We continue to dream boldly while remaining grounded in the needs of the communities we serve.

We recognise that true transformation extends beyond addressing practical needs. Healing, restoration, and hope are cultivated through meaningful relationships, compassion, a sense of belonging, and purpose. We remain committed to serving every individual with dignity, respect, and empathy, regardless of their background, race, religion, or life circumstances, without judgment, and with a steadfast belief in their potential for growth, healing, and positive change.

None of our achievements this year would have been possible without the unwavering support of our Board of Directors, staff, volunteers, donors, community partners, government agencies, schools, and supporters.

I would also like to express my heartfelt appreciation to our Founder, Rev. Jeffrey Mak, whose vision and dedication continue to inspire our work and mission.

As we look towards 2026 and beyond, we remain committed to strengthening communities, empowering lives, and creating pathways of hope for future generations. Together, we can continue building a society where every person feels valued, supported, and given the opportunity to succeed.

Thank you for walking this journey with us. Your partnership, trust, and belief in our mission continue to make transformation possible.

“And let us consider how we may spur one another on toward love and good deeds.” – Hebrews 10:24

With gratitude and hope,

Ps Grace Yeo

Future Plan 2026 - 2034

HUG'S HAVEN: VISION TO 2034

HUG's Haven is envisioned as a transformative space that goes beyond mere shelter — offering mentorship, guidance, and a sense of purpose to vulnerable and underserved individuals in our community.

The necessity of HUG's Haven stems from our commitment to addressing the comprehensive needs of our community, particularly the vulnerable and underserved. Unlike halfway houses, HUG's Haven will offer free or minimum rental accommodation alongside continuous support, helping beneficiaries set goals and work towards achieving them.

Our beneficiaries include vulnerable girls and young women, individuals from marginalised backgrounds, and desistors re-entering society. Each individual is unique, coming from different backgrounds and life experiences. HUG's Haven takes a holistic approach to ensure these individuals do not just survive, but thrive, finding direction, purpose, and resilience through an integrated network of facilities, programmes, and community support.

Planned Facilities & Programmes

HUG's Haven will bring together a wide range of facilities and programmes under one roof, spanning youth care, wellness and retreat, creative arts, physical recreation, culinary skills, vocational training, and community events. A Residential Co-Living Space will provide vulnerable individuals with safe, temporary refuge and the support needed to rebuild their lives.

Animal-assisted therapy is also envisioned as part of our broader wellness and healing initiatives, developed in collaboration with community partners. Our Crime Prevention Programme, already operational at 200 Toa Payoh North and seeing overwhelming demand, is among the programmes being considered for expansion within the Haven.

Interfaith & Community Support

Recognising that faith plays a crucial part in many beneficiaries' recovery journeys, HUG's Haven will work with partners across different religious institutions to provide interfaith support. We aim to seek the Harmony Fund to support these programmes, ensuring no beneficiary is left without the spiritual and community accompaniment they need.

Realising HUG's Haven requires collective effort across:

- **Financial Contributions** — Donations and sponsorships for construction and operations
- **Sustainability** — Social enterprises to sustain long-term operations
- **Government Support** — Funding and policy partnerships
- **Volunteers** — Individuals offering time and skills
- **Business Partnerships** — Collaborations to enhance programmes and services
- **Community Participation** — Fostering shared ownership and collective responsibility

HUG's Haven represents a bold step forward in our mission. With additional support, we can create a sanctuary where unity and compassion go beyond tomorrow.

FUNDRAISING PLAN

PAWPATHON 2026

What is Pawpathon?

Pawpathon is an upcoming community fundraising walk event planned by HUG Community Services, set to bring together families, pet lovers, and supporters for a meaningful morning centred on hope, healing, and second chances. The event is designed to be a celebration of community spirit, one where people from all walks of life come together in solidarity with HUG's mission to empower lives and build a more inclusive society.

Approach to Pawpathon

Pawpathon will be organised in collaboration with Yellow Ribbon Singapore, reinforcing the shared message that every individual deserves the opportunity for a second chance. The event aims to engage a broad coalition of community partners, corporate sponsors, volunteers, and members of the public to rally behind HUG's programmes.

The approach is one of inclusive participation, welcoming families, individuals, and pets alike, while creating a warm and festive atmosphere that reflects HUG's values of care, community, and compassion. Performances, engagement booths, and community activations are envisioned as part of the event experience, making Pawpathon both a fundraiser and a platform for meaningful public education on rehabilitation and animal-assisted therapy. HUG also intends to work alongside partner organisations spanning social services, education, and the private sector to ensure the event reaches a wide and diverse audience.

Beneficiaries

Funds raised through Pawpathon will directly support HUG's community programmes, with a key focus on the HUG Healers Programme, HUG's animal-assisted therapy initiative that harnesses the unique bond between humans and animals to support healing and growth. The beneficiaries of these programmes include:

- Desistors and their families, as they navigate reintegration into society
- Youths at risk, who benefit from structured therapeutic engagement
- Students facing social, emotional, or behavioural challenges
- Seniors who experience improved well-being through animal-assisted interactions

Through Pawpathon, HUG hopes to raise both funds and awareness for these groups, amplifying the message that a caring community is one of the most powerful forces for lasting change.

Threads of Unity 2.0

Threads of Unity 2.0 is the next chapter of HUG Community Services' intergenerational fashion and arts initiative, building on the foundation laid by SG60 Threads of Unity, a meaningful community project organised in 2025 in collaboration with local fashion brand Ans.Ein to celebrate Singapore's 60th National Day.

SG60 Threads of Unity brought desistors, children youth, and seniors together through collaborative calligraphy art, transformed into wearable designs. Threads of Unity 2.0 seeks to deepen and expand on this vision, envisioned as a showcase of resilience, creativity, and belonging. It will be a community-driven evening where seniors, youth volunteers, desistor volunteers, and partners come together in a shared space where stories of healing, dignity, and second chances are honoured and made visible.

Approach to Threads of Unity 2.0?

Threads of Unity 2.0 will continue HUG's model of pairing creative expression with community impact. The initiative will bring together participants from across generations, including seniors, at-risk youth, and individuals rebuilding their lives, in collaborative art-making sessions that culminate in a public fashion showcase walk. This shared creative journey is designed to build confidence, foster mutual respect, and give voice to those who are often unheard.

The event will be developed in partnership with the Yellow Ribbon Project, Singapore Prison Service and Ans.Ein, with a continued emphasis on civic engagement. Individuals, educational institutions, and corporate partners will be invited to participate through sponsorships, volunteering, and active involvement. Funds raised through the initiative will directly support HUG Community Services' ongoing programmes. Building on the momentum and community support generated by SG60 Threads of Unity, the 2.0 edition aims to reach a wider audience, attract new partners, and establish Threads of Unity as a recurring platform for intergenerational connection and creative advocacy.

Beneficiaries

The proceeds and community impact generated by Threads of Unity 2.0 will benefit the groups at the heart of HUG's operation and mission:

- Isolated seniors, who gain connection, confidence, and renewed purpose through creative participation and intergenerational engagement
- At-risk youths, who develop pro-social values, empathy, and self-expression through shared art experiences with seniors and peers
- Desistors and their families, whose stories of resilience and second chances are given visibility and dignity through the platform
- The broader community, which benefits from a richer culture of inclusivity, intergenerational respect, and civic pride

Through Threads of Unity 2.0, HUG Community Services hopes to sustain and grow its eldercare, youth mentoring, and community outreach programmes, weaving together lives, stories, and generations, one thread at a time.

HUG2HEARTS

Building on the foundation laid in 2021, HUG Community Services continued to advance HUG2HEARTS in 2025, a transformative initiative supporting the reintegration and personal development of beneficiaries from the Singapore prison service. Guided by our co-founder, Ps Grace Yeo and rooted in our motto “Hope in the future, Unload the past, Go for the goal”, this programme equips at-risk youth with tools for self-confidence, purpose, and community connection.

Structured across three progressive phases, HUG2HEARTS offers mentorship, therapeutic engagement, and personalised aftercare through our Re-Offending Prevention Programme (ROPP). Open to all referred youths, including those from the Rehabilitation Training Centre (RTC), ROPP provides a holistic suite of services

ranging from counselling and education support to career guidance, skills training, job placement, and leadership development. By acknowledging the unique pace and needs of each beneficiary, HUG ensures that every young person is empowered to heal, grow, and meaningfully reintegrate into society.

HUG2HEARTS – Triumph Dunk & In-Care Programme

In 2025, HUG Community Services continued to strengthen our HUG2HEARTS initiative, sustaining our in-care engagement and reintegration support for youths in the Singapore Boys’ Home, the Reformative Training Centre (RTC), and the Drug Rehabilitation Centre (DRC). This programme continues to build trust, foster pro-social values, and prepare inmates for confident reintegration into society.

Triumph Dunk – Basketball & Mentorship

Our Triumph Dunk programme, first introduced in partnership with the Singapore Prison Service (SPS) in December 2022, remained a cornerstone of our in-care engagement efforts in 2025. This mentorship-driven basketball initiative targeting youths at RTC continued to provide inmates with weekly opportunities to build camaraderie, develop leadership, and foster discipline through team sports. HUG volunteers, including long-time coach Desmond Loh, have remained committed to conducting regular basketball mentoring sessions and friendly matches within the RTC facility.

These sessions continue to create meaningful touch points for inmates to bond with one another, their families, and prison counsellors, cultivating teamwork, mutual respect, and emotional resilience essential for long-term rehabilitation.

As Coach Desmond shares:

“Through my time with the RTs, I’ve come to realise they’re no different from anyone else. Sadly, they’re often unfairly judged. Programmes like this help break those barriers, and the change is real when the community stands with them.”

This initiative exemplifies the vital role community partnerships play in supporting successful desistance and crime-free living.

Lives Shaping Programme (LSP)

The LSP is an ongoing mentorship initiative under HUG2Hearts (Through-care), designed to support desistors in their reintegration journey by fostering transformation through acts of care and hope. Participants, who have overcome similar challenges, are empowered to guide and support others facing incarceration-related struggles.

As part of the programme, beneficiaries are attached to HUG Community Services Limited (HCSL) through structured training and apprenticeship opportunities, allowing them to rehabilitate and inspire families of incarcerated individuals. Additionally, LSP seeks to nurture a new generation of social workers equipped with firsthand experience and deep empathy for the beneficiaries they serve.

This holistic reintegration initiative is specifically tailored for desistors, who are selected through prison through-care programmes (HUG2Hearts). By establishing a strong rapport, we provide them with a safe space to express concerns and emotions, helping them overcome trauma and the stigma of incarceration. LSP is also open to newly released desistors seeking guidance and support as they transition back into society. During LSP, HUG Community Services hired these desistors as community helper apprentices to provide them with a structured platform for learning, growth, and training towards a future in social work.

Programme Objectives

- Provide mentorship and support to desistors transitioning back into society
- Offer structured training and apprenticeship opportunities to equip them with relevant skills
- Inspire and rehabilitate families of incarcerated individuals through community engagement
- Develop a new generation of social workers with firsthand experience and deep empathy

Beneficiary Engagement and Support

Through LSP, desistors selected via prison through-care programmes (HUG2Hearts) are provided with a safe space to share their concerns and emotions, helping them overcome trauma and the stigma of incarceration. The programme is also open to newly released detainees who seek guidance and support for their reintegration journey.

Training and Apprenticeship

HCSL hires desistors as community helper apprentices, giving them a structured platform to:

- Learn essential skills required for community work and social services
- Gain hands-on experience in mentorship and volunteer coordination
- Build confidence and a sense of purpose through meaningful engagement
- Undergo training to prepare for potential careers as social workers

NTMY – MAI GONG BO JIO WEEKLY INITIATIVE

Programme Description

The Mai Gong Bo Jio (MGBJ) Programme, under the umbrella of HUG Community Services’ “Nice To Meet You” initiative, is a weekly intergenerational coffee corner held every Saturday from 9:30 AM to 10:30 AM, officially launched on 9 December 2023. This programme fosters meaningful connections between seniors, youths, and desistors by bringing them together for shared meals, open dialogue, and mutual learning. Through a simple breakfast, participants engage in cultural exchange and meaningful conversations. The programme not only tackles social isolation among the elderly but also provides youth volunteers with opportunities to develop leadership and community service skills. MGBJ also serves as a quiet but important support system for desistors, some of whom may have faced challenges such as substance dependency. By embracing a non-judgmental and anonymous participation model, HUG ensures that individuals are valued for their present contributions, rather than being defined by their past struggles.

Desistor participants, who may join as volunteers or attendees, can engage without the need to disclose personal histories. Their roles — such as helping set up events, serving meals, or simply sharing a meal — help them build connections and regain a sense of belonging in the community. This intentional anonymity reduces stigma, offering desistors the dignity and space to reconnect with others, and reinforces the message that everyone, regardless of past hardships, plays an important role in the community.

Programme Aims and Objectives

Intergenerational Connections

The programme serves as a platform for individuals of all ages to connect and share experiences, fostering deeper mutual understanding and respect. By bridging the generational gap, MGBJ encourages appreciation of the diverse contributions each age group offers to the community.

Social Inclusion

Addressing the isolation felt by many elderly individuals and desistors, the programme provides regular opportunities for social interaction. These gatherings help reduce loneliness, strengthen participants’ sense of belonging, and affirm their value in society. The programme’s inclusive nature invites desistors to participate and contribute, reshaping perceptions of them as active members of the community.

HUG'S HEALER PROGRAMME

Empowering Youth Through Purpose

The programme serves as a therapeutic bridge for our beneficiaries — many of whom are navigating personal trauma, identity struggles, or reintegration challenges. By stepping into caregiver roles, they are encouraged to shift from being recipients of care to contributors of care, gaining a renewed sense of confidence, accountability, and self-worth.

A Win-Win Model of Healing

The HUG's Healer Programme is a testament to the power of mutual healing. Seniors benefit from companionship and stimulation; youth and desistors experience emotional support, social acceptance, and a safe platform for growth. Each interaction fosters trust and understanding — breaking generational barriers and reducing societal stigma.

Programme Highlights in 2025

- **Therapy Pet Visits:** Outreach sessions held at community centres and senior homes, reaching elderly residents and extending support to students at Hwa Chong Institution as part of their Project Pawsitive initiative.
- **Volunteer Training:** Youth and desistor volunteers trained in basic animal care, eldercare engagement, and communication skills.
- **Public Showcases:** Therapy pawlunteers were featured at SG60 Threads of Unity and the Marine Crescent National Day Pets Carnival 2025, allowing beneficiaries to share their stories of healing on public platforms.
- **Mental Wellness Support:** Counselling and emotional check-ins were provided alongside each beneficiary's journey through the programme.

Looking Ahead

In the coming year, we aim to:

- Expand our therapy pet visitation schedule by working with community clubs across Singapore to broaden our reach and impact.
- Deepen partnerships with mental health professionals to enhance support for volunteers.
- Develop certification pathways for beneficiaries interested in long-term caregiving or animal-assisted therapy careers.

HUG's Healer Programme exemplifies how empowerment begins with empathy. By creating safe and purposeful spaces for beneficiaries to serve, grow, and connect, we are not only supporting their healing but also equipping them to become beacons of hope for others.

本地筹款平台Giving.sg去年共筹到8700万元，比2023年的9460万元少了大约8%。捐款人数与往年相仿，但平均捐款减少了。捐款同生活开支、经济状况等因素有关。

属于他她它们的 慈善时装晚会

这是一场十分特别的慈善时装晚会，不仅因为参与者的年龄跨度特别大，从4岁到90岁，也因为他们来自不同背景，有学生团体、边缘少年（Youth-At-Risk）、年长者、义工，更有13只毛小孩和它们的主人，到时将一起穿上特别订制的SG60服装，献出人生“首秀”。

（左起）林佩珊、吕晋和、杨慧慧都是爱狗人士

协调工作挑战大

“光听到这样的组合，你大概可以想象我在整个活动当中需要协调各方的难度了吧？不只是配合男女老少，还有毛小孩的时间和习性……”

慈善时装晚会负责人杨慧慧（35岁），在分享筹备活动的挑战时开玩笑地开场。

这场名为“SG60 Threads of Unity”的活动，由狗社区服务中心（HUG Community Services）主办。中心联合创始人杨慧慧受访时透露，中心每年都会举办筹款晚宴，但今年适逢新加坡建国60周年，他们想有点不一样的，于是决定结合中心的各个项目，包括拯救边缘少年、年长者关怀和疗愈犬计划等，共同呈现一场别开生面的慈善时装晚会。

这家位于大巴窑的中心，主要服务对象是青少年，包括边缘少年，中心几乎一年到头开放，随时为有需要者提供一个避风港。近年来，中心逐步扩大服务范围，包括在监狱开办培训工作坊，还推出了“Mai Gong Bo Jo”（福建话，意思是“别说没你”）的年长者周六茶叙，以及疗愈犬计划等。

“其中，疗愈犬计划是最受欢迎的项目，我们除了安排狗儿每周六出席茶叙，也不时带它们到疗养院去探访老人。它们一出现就像明星一样，总是能吸引很多目光，我们的青少年发来这里，其中一个目的也是想跟狗儿玩。”

在心理治疗和情感支持方面能够发挥积极作用，因此成为中心最常见的疗愈犬种。

吕晋和（25岁）和她三岁大的金毛寻回犬Lane约一年多前加入“疗愈犬计划”。最令她印象深刻的是，有一次他们到疗养院去探访，一名老妇表示自己很怕狗，要求义工别让狗儿接近她。

不过，杨慧慧指出，不是每只狗都能成为疗愈犬，金毛寻回犬以其友善、忠诚和温顺的性格而闻名，

盼能为中心筹得25万元

养了五只狗的杨慧慧（34岁）因工作忙碌，无法亲自参与走秀，却慷慨借出其中4只，让它们与青少年一起上台。从她的观察，她的狗儿喜欢亲近人类，因此很享受当疗愈犬的过程。

即将登场的慈善时装晚会，获得了本地品牌ANS.EIN的支持。商家几个月前到中心特别开班教导书法，邀请他们写下对新加坡建国60年的祝福，过阵把这些祝福语都印在布料上，推出充满爱国情怀的SG60红白服装系列，让人类和狗儿模特儿当晚穿着走秀。

仔细看，布料上印有四种官方语言的祝福语，如“国泰民安”、“Majulah Singapura”等字句，虽然十分简单，却是人民对国家最诚挚的祝福。

晚会门票目前已售罄，杨慧慧希望透过晚会能为中心筹得25万元，款项将用作资助中心各项计划的运作。晚会将于本周六（7月5日）傍晚在大巴窑一街的Plaza@128举行，预计约400人出席。晚会嘉宾是主理国教事务代部长兼内政部高级政务部长费纳尔。

TESTIMONIES

ANGELA LAM

My support for Hug Community comes from a place of deep gratitude. As a teenager, my husband benefited from the care, guidance, and encouragement provided by the organisation during a pivotal season of his life. Witnessing the positive impact that support had on his journey has given me a profound appreciation for the important work Hug does for vulnerable youths and families. It is a reminder that behind every success story is often someone who chose to believe in a young person when they needed it most.

As a donor, I believe in supporting organisations that create meaningful and lasting change. Hug Community is one of those rare organisations that not only meets immediate needs but also invests in the long-term well-being and potential of every individual it serves. Knowing that my contribution can help provide guidance, opportunities, and hope to someone facing life's challenges makes giving especially meaningful. Every donation represents more than financial support, it is an investment in people and in the belief that every young person deserves the opportunity to thrive, regardless of their circumstances. I am grateful for the difference Hug Community has made in our lives, and it is a privilege to play a small part in helping the organisation continue its mission.

My hope is that Hug Community will continue to touch many more lives in the years ahead, empowering youths and strengthening families through compassion, encouragement, and unwavering support. If my contribution can help even one more young person discover hope and a brighter future, it is an investment well made.

ALEX

I first met Pastor Jeff more than a decade ago when I was around 17 years old. I was introduced to him through a Christian friend, as they attended the same church. At that point in my life, I was a very rebellious teenager who often made poor decisions and got into trouble. Things eventually escalated to the point where I became involved in a serious court case. During that difficult period, I felt lost and believed that there was no way out of my situation. I remember one of the first things I told Pastor Jeff was, "I don't have any money to engage you to help me." Deep down, I was thinking, "Just leave me alone. I know what's coming for me." His reply shocked me. He looked at me and said, "Son, trust me. If I can still see hope in you, why are you not giving yourself a chance? And I don't need you or your family to pay me a single cent." Those words stayed with me. For the first time in a long while, someone saw something in me that I couldn't see in myself. At that moment, I decided to trust him and gave him one condition: "Please don't give me false hope." Pastor Jeff did exactly what he promised. He walked alongside me through one of the darkest seasons of my life, guiding and encouraging me every step of the way. What impacted me even more was that his care did not stop when the court case was over. He continued to journey with me, regularly checking in on me, visiting my parents, counselling them, and keeping them updated on my progress. He genuinely cared not only about me, but also about my family. Today, I am grateful to be running my own business in the interior design industry. Looking back, I realise that many of the values, perspectives, and life lessons I carry today were shaped through the countless conversations, guidance, encouragement, and advice that Pastor Jeff shared with me over the years. The HUG Community and Pastor Jeff helped me see a future beyond my mistakes. They believed in me when I struggled to believe in myself, and that belief played a significant role in shaping the person I am today.

海底捞非常荣幸能够与 **HUG Community Services** 长期同行，一起支持社区关怀工作。通过 MGBJ 每周六早餐关怀计划，我们看见一份简单的餐食，不仅能带来温饱，更能传递陪伴、尊重与温暖。社区服务需要许多人持续用心投入，我们也很感恩能够以自己的方式参与其中，为有需要的家庭和居民尽一份力。感谢 HUG 一直以来对社区的坚持与付出，也感谢所有参与其中的义工和团队，让这份关怀能够被持续传递。

Through the MGBJ Saturday breakfast programme, we have seen how a simple meal can offer not only nourishment, but also companionship, dignity, and warmth. Community service requires the continuous dedication of many hands and hearts, and we are grateful to be able to contribute in our own way to families and residents in need. We sincerely appreciate HUG's ongoing commitment to the community, as well as the volunteers and team members whose efforts make this care possible.

TAIXIN, STUDENT VOLUNTEER

My journey with HUG Community began through a school project, Project Pawsitive, which aimed to promote human mental well-being through animal-assisted therapy. While researching potential partners, my team came across HUG's Healer Programme, and we were immediately drawn to how closely it aligned with our vision. That was how I first became involved with HUGs, and it quickly turned into something more meaningful than a school project.

Over time, I have had the privilege of meeting amazing mentors like Pastor Jeff, Pastor Grace, and other dedicated members of the team. Under their guidance, I learned valuable lessons not only about volunteering but about empathy, patience and understanding people from all walks of life. The sessions were filled with heart-warming moments that reminded me of the genuine impact compassion can have.

Through working closely with therapy dogs, I also discovered how powerful animal-assisted interactions can be in breaking down emotional barriers. Watching how a simple moment with a calm, gentle dog can bring out a smile or spark a conversation has deepened my belief in the importance of empathy and connection. These experiences have strengthened my passion for using animals as a bridge for healing and comfort. I hope to continue growing under the mentorship of HUG Community, further develop my dog-handling skills, and play a meaningful role in serving the community, bringing both people and animals together to create moments of hope and healing.

ESTELLE, STUDENT VOLUNTEER

Participating as a model in the Threads of Unity charity gala organised by HUGS Community Services was a truly meaningful and eye-opening experience for me. The event brought together people from all walks of life, from youths to seniors, and highlighted how each individual story contributes to a larger, shared community.

As a model, I felt that I was not just presenting clothing, but also representing the values behind the event. The garments symbolised unity and collective hope, which made the experience feel purposeful rather than purely aesthetic. Being part of this showcase allowed me to better appreciate how creativity and community service can come together to inspire and connect people.

What impacted me most was witnessing the spirit of inclusivity throughout the event. Everyone — volunteers, participants, and beneficiaries — played a role in creating an environment where people felt seen and valued. It reinforced for me how small contributions can come together to form something much greater. Overall, my experience at Threads of Unity has deepened my appreciation for community work and strengthened my desire to continue contributing to meaningful causes in the future.

CHERIE, STUDENT VOLUNTEER

Being a student leader at HUG Community Services has been a really meaningful experience that's helped me grow both as a person and as a leader. One of the main programmes I took part in was Mai Gong Bo Jio (MGBJ), where I helped serve breakfast to the elderly and spent time playing games like bingo with them.

Through this, I learnt how important it is to show empathy, be patient, and build genuine connections with the people I serve. I also realised that being a leader isn't just about giving directions, but it's about taking responsibility, being accountable, and setting a good example for others. Taking part in different events has also taught me a lot about programme planning, teamwork, and engaging with the public.

Overall, these experiences have helped me become more confident and mature, and I'm really thankful for the chance to give back to the community while picking up valuable lessons along the way.

JOSEPH, STUDENT VOLUNTEER

Earlier this year, during my June holiday break, I decided to sign up for a volunteering organisation to spend my time more meaningfully by helping vulnerable communities. I chose HUG because of its proximity, as being in my neighbourhood allowed me to observe the positive impacts HUG brought to the residents better. HUG as an organisation has allowed me to serve the residents and better improve me as a person, to be more compassionate, kind and helpful.

During my first few sessions of HUG, I was tasked as a student volunteer to help serve the residents participating in the weekly Mai Gong Bo Jio. There, I was encouraged to strike up conversations with the elderly residents as I bought them food. It was initially a bit awkward, but after a while, the ice broke, and they were sharing their personal experiences with me, allowing me to learn a lot about their day-to-day lives. Students like us rarely have an opportunity to interact with seniors other than our grandparents, so such an opportunity proved to be extremely valuable.

One feature of HUG that really stands out to me is not only the intergenerational approach of volunteering, but also that its members are diverse across age groups, with not just students in secondary, tertiary, working adults and senior citizens all coming together to serve the community. Following the initial sessions I had, I then had my position serving food to the residents. It was there that I was able to interact and befriend other volunteers and meet other like-minded people. Overall, I enjoyed my experience very much at HUG, being able to volunteer my services as needed for the community. It has truly made me kinder and more helpful.

NATHAN, DESISTOR

There was a time in my life when I made poor choices and surrounded myself with the wrong crowd. I fell in with people who were involved in scamming, and I chose to join them. Through my actions, I caused harm to many lives and families, and I take responsibility for the damage I helped create. That season of my life led me into trouble with the law and could have defined my future. In the midst of that darkness, I met Pastor Jeff, who chose not to judge me by my past but to journey with me toward change. He walked alongside me, spoke truth into my life, and helped shape my character. Through his guidance, I began to see that my life could be different. Subsequently, I was sentenced to prison. Even then, my story was not over. After my release, Pastor Grace gave me an opportunity when many would not. She believed in me, offered me work, and mentored me on what it means to build a career, face life's challenges with integrity, and take responsibility for my future.

Pastor Jeff and Pastor Grace opened doors for me, taught me how to be a man of character, and helped me recognise opportunities in the marketplace instead of continuing in destructive patterns. Without their guidance, correction, and belief in me, I would not be who I am today. I am deeply grateful for the grace shown to me, for the second chance I was given, and for the people God used to transform my life. I am also honoured and thankful to have received the Yellow Ribbon Advocates of Second Chances – Desistors Merit Award. This recognition is not mine alone; it is a reflection of the guidance, support, and belief that Pastor Jeff and Pastor Grace have poured into my life. Their investment in me made this milestone possible, and I carry it as a reminder to continue walking in purpose and integrity.
